SCI Annual Hunters' Convention

Corporate Sponsor Booth Assignment/Selection Rules & Regulations

Booth exhibit space is offered to Corporate Sponsors on an equivalent convention ranking based on a corporate sponsor's annual gross dollar sponsorship. Priority Points are not granted as an incentive for a corporate sponsorship. Corporate Sponsors desiring booth exhibit space will be placed based on the ranking. This placement allows the Corporate Sponsor to be blended with other ranked exhibitors on the show floor while a sponsorship contract is in effect. Corporate Sponsor placement rankings will be applied as follows:

| <u>Annual Corporate Sponsor Gross Sum</u> | <u>Placement Ranking</u> |
|---|--------------------------|
| \$250,000.00 or above | 50 |
| \$200,000.00 - \$249,999.00 | 100 |
| \$150,000.00 - \$199,999.00 | 150 |
| \$100,000.00 - \$149,999.00 | 200 |
| \$75,000.00 - \$99,999.00 | 225 |
| \$50,000.00 - \$74,999.00 | 250 |

Corporate Sponsors with a gross commitment of under \$50,000.00 will not be considered for booth exhibit space and any related exhibitor will be placed according to its Priority Points. Any Corporate Sponsor who is also an exhibitor with a placement ranking higher than the Corporate Sponsor placement rank, based on its accumulated Priority Points, will be placed in accordance with the higher ranking.

All Corporate Sponsors with booth exhibit space are required to comply with all of the Convention policies, rules and regulations.
